3 CHATGPT PROMPTS TO

BUILD THE

PHOTOGRAPHY BUSINESS

OF YOUR DREAMS

ALICEKELLIOTT.COM

HELLO THERE FRIEND!

“I’m Alice. I help photographers
make a real, sustainable
income with their camera, so
they can do what they love
while providing for the people
they love.”

These are the exact types of prompts I use to stay
fully booked every season.
Just copy, paste, and watch the magic happen.

Alice K Elliott
PHOTOGRAPHY

Prompt #1:

Client Inquiry Email Response

Purpose: Instantly generate a professional response to a potential client.

“Write a professional email response to a potential client who inquired about a **[type of session: family, senior, newborn, etc.]**.

My photography style is **[insert your style here for example fun, energetic, and emotional, with an emphasis on connection.]**

Include a friendly greeting, address them by name if possible, clearly explain what working with me is like, list the next steps to book, and end with a warm closing.

Keep the tone approachable yet professional”

Prompt #2:

Seasonal Mini Session
Marketing Plan

Purpose: Quickly create a full marketing plan for a mini session event.

“Create a step-by-step marketing plan to sell out my **[fall/Christmas/motherhood/etc.]** mini sessions.

Include:

- 1.Social media post ideas (with Instagram captions).
- 2.Email sequence plan (subject lines + key talking points).
- 3.Suggestions for limited-time offers or bonuses to create urgency.
- 4.Timeline of when to post and send emails leading up to the event.
- 5.My brand voice is fun, energetic and whimsical.”

Prompt #3: Instagram Caption Generator

Purpose: Create consistent, engaging Instagram captions without spending hours brainstorming.

“Generate 10 engaging Instagram captions for a photographer who specializes in **[type of photography: family, senior, maternity, etc.]**. Each caption should:

- Be under 150 words.
- Include a strong call-to-action (like booking a session, saving the post, or leaving a comment).
- Reflect a fun, approachable and professional tone.”
